Thank you for your excellent presentation to the students participating in our American Studies Program on October 13, 1978. I appreciate your willingness to share with these students your expertise and knowledge in the area of Soviet Affairs. Your discussion of the Soviet perspective on some of these issues is a unique contribution to our study unit.

Thanks again for your cooperative spirit. Once again, you have helped to make this study of Far Eastern relations a beneficial educational experience. By the way, I enjoyed the opportunity to meet Pat.

Sincerely,

John A. Bernbaum
